Dear Club,

Though I'm just 19 and have only recently moved into a flat of my own, I am much more mature than most girls my age. For one I believe in having an open relationship with my boyfriend Will, and we often experiment sexually. As students we don't have a lot of spare cash to buy stuff like sex toys, so we usually make our own out of everyday objects.

However our latest experiment has been far more rewarding than past efforts, because the prop we used this time was my friend Rachael! Rach and I have been best mates for the past two years, having met at 6th form college. It was lust at first sight, but neither of us admitted anything until last summer when we spent a lot of time together and finally got into some seriously sticky, finger licking, Sapphic clench.

Of course we were fairly innocent to start with, and it took a lot of resolve to get past the initial idiotic feelings of guilt and allow ourselves to enjoy one another's bodies.

When I started at Uni, Rachael and I split up, and I started going out with Will. Will gets me damp just thinking about him, and while our relationship is mostly based on sex, I think I love him. That is why I arranged the little threesome with Rachael in the first place. I wanted to keep Will's attention firmly on me, and as he had been

blabbing on about a threesome being his top sexual fantasy ever I felt it wouldn't hurt to ask Rachael to join us as a surprise on his birthday.

He was like a kid waiting to see his new puppy when I told him I had something special planned for his birthday night. I made him promise to come straight back to my flat after he'd had a few drinks with his mates, as I was going to give him the most memorable birthday fuck ever!

Will phoned a few times early in the evening to know if he could come over yet, but Rachael and I needed some time to set the scene and also to become reacquainted with one another. By the time we phoned Will to come back we were into our second bottle of wine and were swaddled in the sheets together, busily licking one another out, and,

“...holding my pussy lips apart so she could tongue-fuck me from on top.”

only minutes later, oblivious to the sound of Will's key in the latch.

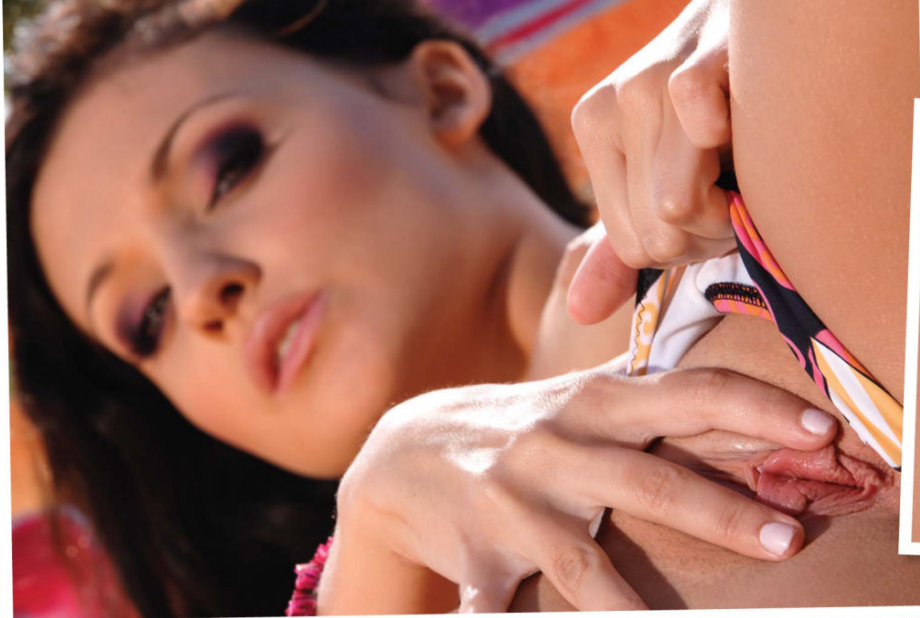

He had brought a bottle of bubbly to celebrate, but was too distracted by the sounds coming from the bedroom to stop and get some glasses. Rachael had rolled me onto my back and was holding my pussy lips apart so she could tongue-fuck me from on top, while I was engaged in frigging her from beneath and catching her juices as they dripped with my

tongue. Will watched in fascination from the door for a few moments, before stripping off and jumping into the fray.

Popping the cork he took a swig and offered some to Rachael, who shook her head, and wished him a happy birthday before asking him to pour some into my furry cup. He laughed at her joke and poured some into my pussy while Rachael held it open. The bubbles tickled my sensitive pussy-hole, making it tingle and spasm as Rachael began drinking it. It made me so excited that I momentarily forgot to continue pleasuring her, but I need not have worried because Will was set on taking my place.

Positioning himself astride my face, he pushed his hard cock against Rachael's dripping pussy, and entered her slowly, watching her drinking from my spasming fanny as he sunk his cock inside her pussy. His ball-sac dangled over my mouth and I gently licked it, delighting in how his balls tightened as his excitement grew. Rachael trickled the sparkling wine over my clit, making it pulse and throb as she abandoned the bottle and began batting it with her tongue. My hips bucked, pushing hard against her tongue as she teased me toward orgasm, sucking and flicking alternately. Meanwhile Will got down to business, fucking my friend's pussy with long slow shunts. With his sawing cock just a few inches above

my face I could see every detail of his thick shaft as it slid in and out of Rach's deep pink pussy lips, drawing them back as he pulled back and pushing them as he hammered it back inside her. My own pussy was getting just as much attention now from Rachael's tongue and my fingers

“...drinking from my spasming fanny as he sunk his cock inside her pussy.”

dug into Will's thighs, and I felt my pussy clenching around Rach's probing tongue as I caught a mouthful of her essence which was dripping out of her hot pussy as she was shafted by my boyfriend. I closed my eyes

and allowed myself to slip over the edge, coming much harder than I had in ages.

Rachael's withdrew her tongue and began finger-fucking me hard and fast. My pussy throbbed, tightening around them as one orgasm rippled into another, and as my mind whirled in ecstasy I saw Will thrust his cock balls-deep in Rachael's wet pussy and I felt her body shake on mine as she too came right on top of my face, with Will's now emptying balls almost smothering me as they pressed down across my nose.

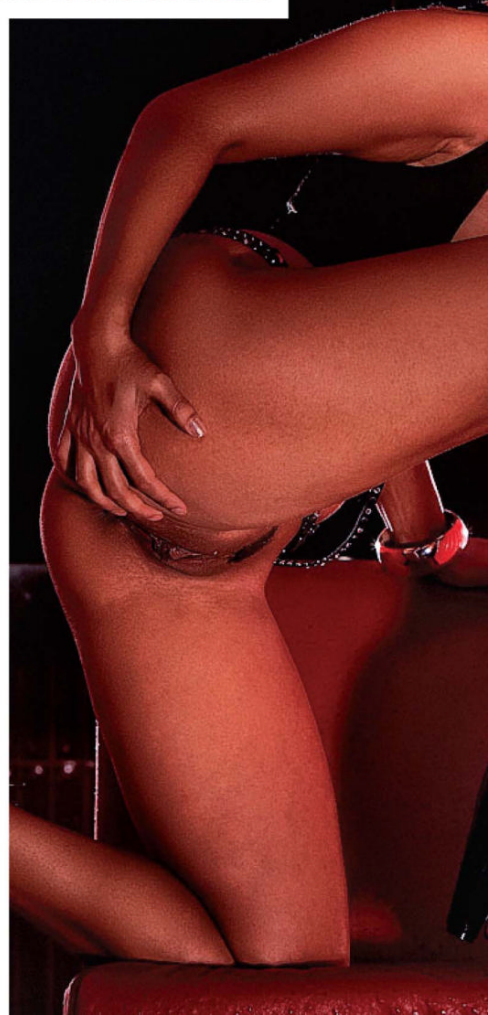

As we lay together in a mess of tangled bed sheets, our bodies still tingling and glowing from the first three-way sex any of us had so far experienced, I formally introduced them to one another!

Jenny, Notts.

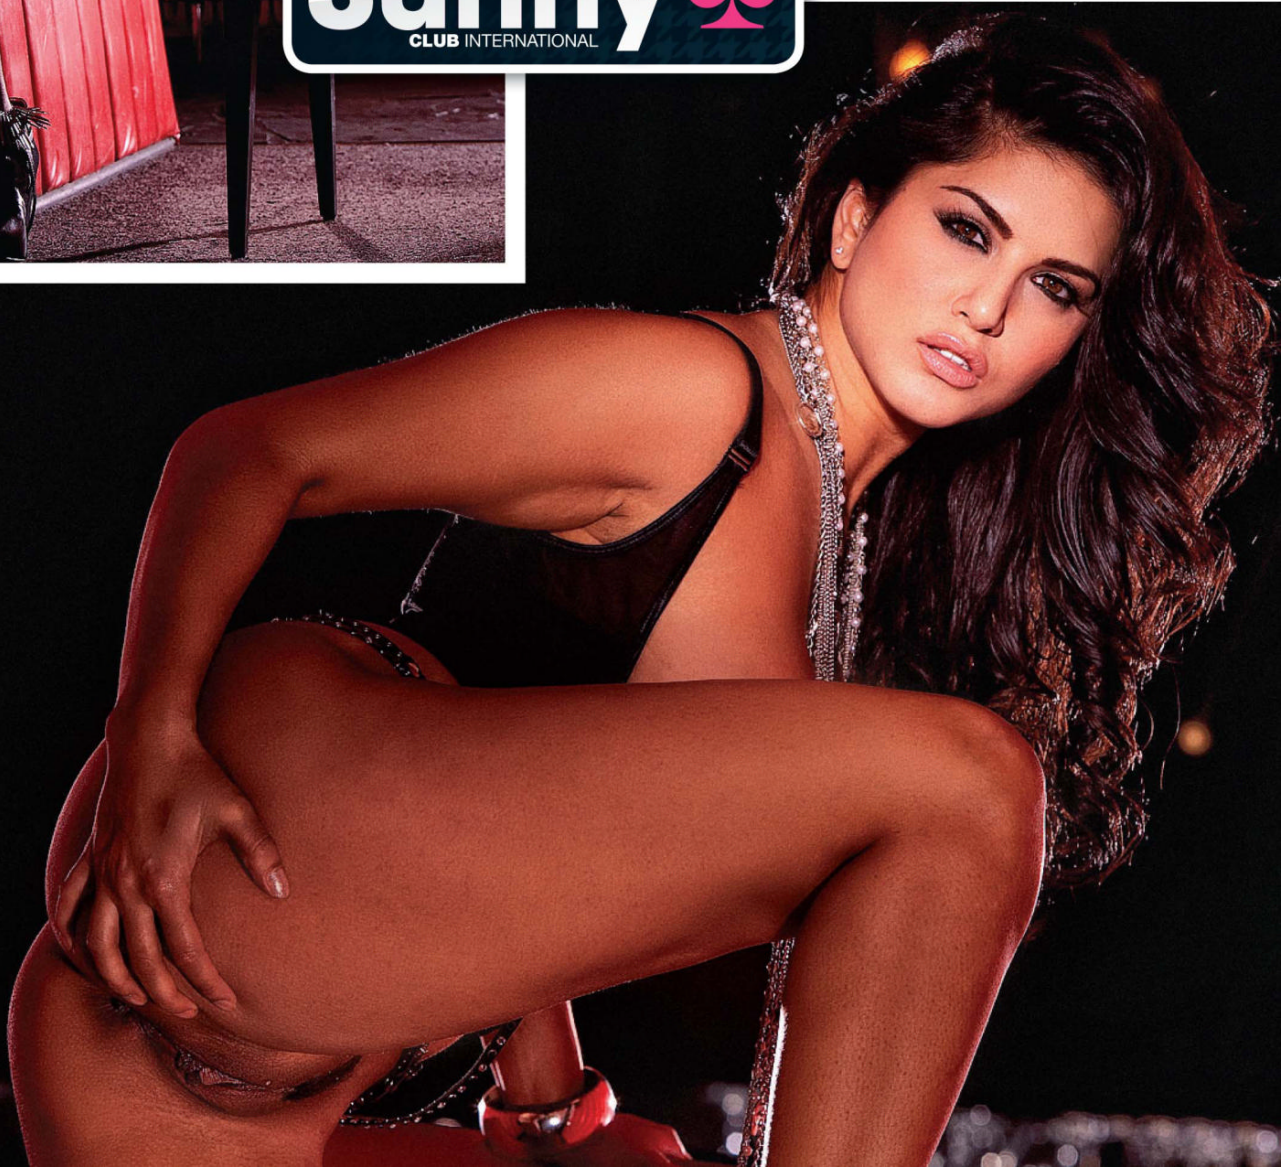

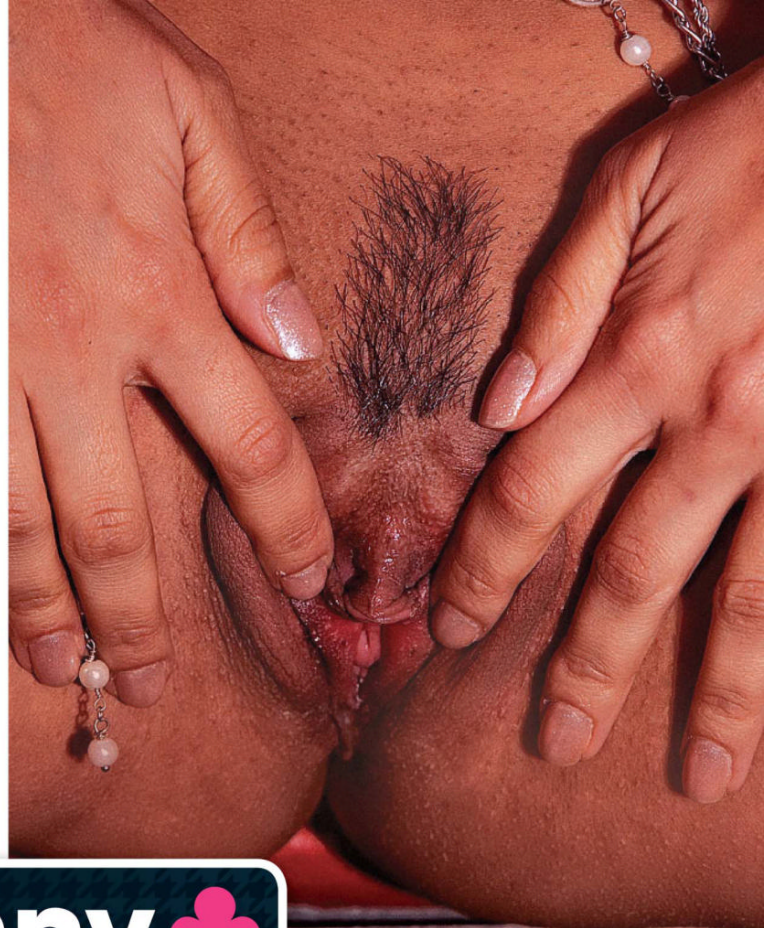

Good grief, now Sunny is a thirst quenching sight for female-starved eyes. Though we imagine this dark-haired beauty would gobble us up for breakfast, rather than gobble on us, we still can't help but try our luck as we gaze into those nut brown eyes. "Unfortunately I've just started seeing someone, and he doesn't know it yet, but I'm crazy about him!" Oh to be that lucky chap...

Sunning herself by the pool, a warm summer breeze no doubt tickling her big nipples, we find Avy Scott, a beautiful, blonde bombshell who, as you might well have witnessed for yourselves, has been thrilling porn fans for almost a decade with her gorgeous curves and natural boobs.

Even though she's dipped in and out of the industry over the years, in the process earning herself a reputation for being a bit of an enigma, Avy has still managed to chalk up over 200 movies, and if anything her frequent breaks from the world of porn have meant that she's looking just as good today as she did when she kicked off her career back in 2001.

Indeed, Avy recently won the prestigious X-Rated

Critics Award for 'Best Cumback' after returning from yet another one of her hiatuses with a stream of sizzling performances, emphasising the fact that she's as gorgeous and up-for-it now as she's ever been.

But the question remains, what does Avy do on those random breaks from the industry? Well apparently she 'retired' without telling anybody in 2002, and on another occasion she left porn to study for a degree in Neuro Linguistic Programming. No, really... Who'd have thought such a swot would make a movie called *4 In The Pink*, *4 In The Stink 3*? It takes all sorts...

When the next hiatus will be, no one really knows, but our advice is to enjoy Avy while you can, starting with this very sexy spread...

BETH 

Us Brits are all secretly dreaming of toddling off into the sunset on some far-flung adventure to the other side of the world, and as it turns out people on the other side of the world are dreaming of landing at Heathrow. Or at least the super sexy New Zealand babe Beth Bennett did, and boy are us chaps glad she made it over. With her outgoing sense of fun and a body we'd pursue all the way around the earth, we're ecstatic to feature Beth in Club this month, and we're sure you will be too. ♣

PEACHES

The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal...

COCKCORD

I've always been a bit of a thrill-seeker and risk-taker, especially when it comes to sex. Not in the stupid sense – I'm careful where it counts. But boredom's a deal-breaker for me.

I don't really have a type, aside from "exciting". It could be some skinny, weaselly bloke I pick up at a gig who bends me over in an alley, or the middle-aged company director who fucks me in the back of a Bentley.

Although I've had a lot of one-night

stands, in recent months I've been seeing a guy called Richard fairly regularly. He's a Brit who works in international finance between here and the USA – mostly in the States, but he's back in the UK every month or so.

I know he's got a fiancée out there – his business. And what I do when he's away is mine. But we've got an unspoken agreement that when he's here, I'm his. Usually I'd run a mile from being the "other woman", but every now and again, it's a fun game to play.

I'd been looking forward to seeing him on his latest UK visit, only to be told it wasn't going to happen – Whatsherface had decided she fancied a trip to London with him this time. I'm no home-wrecker so I wasn't going to stir it up between them, but that didn't stop me borrowing a smart suit off a mate and turning up at his office for a surprise "meeting".

His secretary gave me a look like I'd interrupted them mid blow-job and the man himself nearly shat purple when he saw me, but he took me off to a meeting room, locking the door and jamming the table up against it.

It was a small room and fairly bare, but it's not like we needed any distractions.

"Nice suit," Richard said, a bit awkward. I told him my friend would kill me if I got jizz stains on it, so I took it off and draped it neatly over a chair. Underneath it, I was wearing some of the sluttiest undies I own – a black bra and thong with transparently-sheer fabric over my tits and pussy.

Now I told Rich I wanted him totally naked – I sat back on the expensive polished table, daring him to tell me to watch my high heels – a designer pair he'd bought me – didn't scratch it. Then I idly played with myself through my skimpy panties as I watched him undress.

He was already rock hard and stood there for a bit, just stroking himself over the sight of me. But he'd kept me waiting too long for us to just share a casual wank, so I slid over and reached out, grabbing myself a nice big handful of it.

He's a big boy and this time he was so engorged my fingertips wouldn't touch around the thickest part of his prick. But with two hands, I was able to smooth and tease his meat, rubbing it slow, then speeding up, working all the fluid seeping out of the tip over his shaft.

I wanted to taste him, so I had him stand and sank down to my knees on the thick

carpet. He kept groping for my tits, trying to touch me up through my bra but I wouldn't let him – I wanted him absolutely fucking frantic by the time I was ready to take his cock.

Really, I was ready right then and tormenting myself as much as him. My cunt was so tight and swollen in anticipation, it felt sore. I laid back on the table, allowing him a little feel through my knickers, so he'd know how hot and wet I was for him. Then I pulled them to one side.

He tried to finger me but I brushed his hand away, telling him it'd take more than that to satisfy me. "Next time you'll moan that I don't give you enough fucking foreplay," he said. "Yeah, AND?" I said.

"Maybe I'll just shut up and fuck you," he said, but he wasn't going to let me have it easy – he used his hand to play his cockhead over my pussy, teasing my lips and clit. His balls looked full and swollen and I wondered was my snatch about to get a cum-bath – the sparks were already flying inside it.

He pushed in an inch, and I squealed out loud without thinking. He threatened to gag me with his tie before I screamed the whole building down – bit of an exaggeration! But I told him to get my knickers off and pass them to me. I saw his cock jump as I breathed in the scent of them and said I could stuff them in my mouth to shut myself up.

"You do that," he said, then rammed the entire length of his prick up my soaking snatch in one thrust.

I don't know how satisfied Ms Fiancée normally keeps him, or if, as I suspect, Miss Secretary helps out too. But now he was banging me as if he'd gone the last six months without even a sniff of pussy.

He's a fit bloke but every so often he'd stop, so I could just feel him inside me – his cock throbbing and twitching from the root. Then he went back to it, slower at first but building up steam, until he was leant over me, humping me against the smooth, hard tabletop. I got so caught up in it, it almost came as a shock when he groaned then went stiff as a board before pumping a huge load into me.

Again, I sat on the table, tits out and knickerless, and rubbed my clit – my turn to cum now. It's like I was daring him to say something as a big gush of spunk and cunt cream pooled on the shiny wood.

“...he rammed the entire length of his prick up my soaking snatch in one thrust.”

As we recovered, we had a bit of a snog and a cuddle, but he soon had a couple of fingers up me as I reached for his prick. And it didn't take much fiddling to get us both ready to go again.

“Turn over,” he whispered, his breath warm and wet in my ear. Now he was playing with my arsehole and I felt a bit nervous. We've done loads of anal, but usually at his flat, in his bed, when we can take our time. I hadn't thought to bring lube, so he began to lick my pussy, lapping my cream and loads of his spit around my arsehole, using a couple of fingertips to work it inside as he warmed me up.

He wedged his prick along my crack,

“My arsehole was clenched like a fist around Richard’s prick...”

massaging my cheeks around it, telling me to relax. Then I felt his tip touch my arsehole. I tensed a bit and he said to clench more, to push back against him... then relax. I don’t think fucking him has ever felt so amazing. One moment I had this fat rod pushing for an opening, the next my arse was pretty much sucking it in, taking him so deep that his balls were touching my labia, even parts of my mound.

He fucked me slow, grinding inside me without thrusting, loosening me up just a touch. Then he went faster, pulling out a little further each time until he was pumping my arsehole, giving it to me almost as fast and hard as a fucking in the pussy, and every bit as deep.

I tried to reach under my body to rub my clit, but he had me splayed and squashed against the table. Which didn’t matter when I felt his hand sneak between my body and the wood, circling against my clit.

I started to cum almost immediately, stuffing my damp thong in my mouth to shut off my moans. My arsehole was clenched like a fist around Richard’s prick, but he was still pumping away, fingers still teasing me to shudder after shudder.

Before long, I reached the point where I couldn’t cum any more. I pulled his hand away and told him to finish himself off. Maybe he didn’t realise I meant inside my arse, or maybe he was just in the mood to see a cum shot, but he pulled out and jacked his prick, spunk spurting out to shower my bumcheeks.

He mopped me up as best he could with the knickers – I dropped my mate’s suit off for cleaning just in case it took a few stray hits! – then I left, warning him that if he tried to blow out seeing me, I wouldn’t take it quietly.

I now have this evil idea of surprising him in his office in the States – just going for a holiday and making him an “excursion”. It’s probably a bit too creepy-stalker for me to do it for real, but, when I’m lying in bed having a good frig, I often fantasise about how he’d look – and how hard his cock might get if I did dare to do it!

All the world's a stage, and sometimes famous ladies get their norks out on it...

W We've always been ambivalent about British director Julien Temple. After all, *Absolute Beginners* is a dog's breakfast, and *The Great Rock 'n' Roll Swindle* is for Pistols fanatics only. But maybe his finest gift to the world is his daughter, Juno. She's only been acting since 2008, but she's had her fun-size funbags out in stacks of films, adding spice to 2008's *Kaboom*, 2012's *Little Birds* and this year's *Afternoon Delight*. Best of all? 2011's *Killer Joe* – a cracking movie, a cracking performance, and plenty of her crackers. We'll worship at this Temple... ♣

This little nymphette hasn't graced our pages for what feels like an eternity. So when the chance arose to have Chloe Toy on the cover of Club, we almost jumped straight through the ceiling. But luckily I managed to control myself

(the only one on the team) and had a little revealing tête-à-tête with Chloe about her performance career so far.

"Last year was a rollercoaster of a ride. I hardly stopped, what with doing my own website www.chloestoybox.com,

plus shoots and films for other people, it barely stopped. Which, I hope my fans enjoyed and who I want to say a big thank you too, you guys are the best!"

I can imagine they were enthralled, just as we are right now!

DOWN THE WIRE

Bunny Bust!

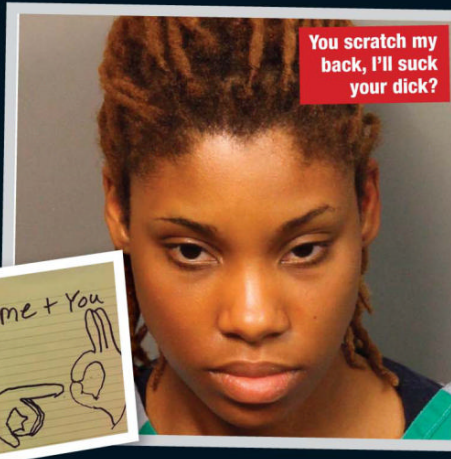

Someone's been given the run around as twenty-seven domestic rabbits are spotted lose by Suffolk County train station. Officials in Long Island, New York are now offering a reward for information pertaining to the dumping of the hoppy individuals. The Suffolk County Society for the Prevention of Cruelty to Animals explained that it was notified on Sunday about the loose bunnies and endeavoured to round them up with the

help of other animal welfare groups, as they don't possess the skills to survive on their own, and would have died. A \$3500 reward is on the table according to Facebook in a bid to find those responsible for endangering the cute furry critters. Lop ears to the ground!

Get it up!

We'd never quite heard of an attempted bank robbery quite like it and neither would it appear had Jefferson County Chief Deputy Randy Christian in Alabama. Police state that a 24-year-old Rachel Camille Calhoun, entered a bank in Forestdale to deliver the manager a note with a strange demand on it. The note is reported to have said that if the manager released \$6000, the woman would provide him with a sexual favour if

he did not then she would accuse him of sexual assault. The manager refused and quickly brought the police in where Calhoun was arrested and charged with first-degree attempted extortion and first-degree attempted theft. You've just got to hope she doesn't try the same tactic behind bars!

Jog on!

We've all been caught short at some point in our lives and enviously had to make a dash to the nearest bushes, the word to highlight there is bushes, not a public footpath as 64-year-old Andrew Macintosh regularly did while out jogging in Brisbane. Macintosh was caught on camera by

a man in the neighbourhood who had staked out the pooper after being fed up with finding the faeces up to 30 times in one year. Macintosh was snapped with his pants down, and toilet paper out (clearly an organised man) doing his business and has since been charged with public nuisance. Unfortunately, the

Macintosh was recognised as an executive for retirement village operator Aveo, and has since resigned.

That's one way to flush your life down the toilet and create a stink and a half!

WHAT'S SHE LIKE? A real go-getter who knows what she likes.

WHY DID YOU WANT TO APPEAR IN CLUB INTERNATIONAL?

Where better to kick-start my modelling career?

WHERE BETTER INDEED? SO, DO YOU PLAN ON BEING A MODEL OR A PORN STAR?

Can't I do both? I'd like to be in magazines, because I love being photographed, but when I do porn, I don't want to do your standard DVD material.

SO WHAT DO YOU WANT TO DO?

I'm a big fan of quite a few kinky websites. The ones where girls do sexy things to each other – and to men – in dungeons.

SO YOU'RE THE FETISH TYPE?

I do like to try new things. Of course I like a good old fashioned fuck as much as the next girl, but life is all about new experiences, so I might go to a swingers club, or break out the strap-on for a willing bloke.

WE THINK YOU'LL GO FAR...

Well, if I do, I'll come back to *Club* to say thanks for getting me started! ♣

FANTASY FULFILLED!

My girlfriend recently caught me looking at your magazine for the first time and, to my surprise, she was totally cool with it. In fact, she was really inquisitive; asking me what I liked about the girls and which bits turned me on the most. I told her that I often looked for girls that looked like her, but in filthy poses, as that was guaranteed to make me cum. I was well chuffed, as I used to have to hide porn from my previous girlfriend who was really prudish, but thought nothing much more about it.

When I went to stay at her's the other weekend, however, I let myself in to find a note just inside the door, saying there was a 'surprise' waiting for me in the bedroom. Walking in, I found a huge spread of magazines which I instantly delved into, poring over the mags and smiling to myself about what a great girlfriend I had. I'd been in there about five minutes when, to my obvious surprise, Alison appeared from the en-suite bathroom. After catching my breath, I caught

a full view of what she was wearing. She had on a leather corset, which was pushing her 32DD tits together, thigh-length boots and a tight diamond choker, with her hair up. She looked every bit as good as the girls I had just been getting aroused over, but the best thing was she was right in front of me.

"Is this what you're always looking for, or were you just saying that to make me feel better?" she questioned, saucily. "I think you know the answer to that!" I replied, moving towards her. I then realised that she had a dildo in her hand and, catching me noticing this, she said "Don't you want me to entertain you first?"

She got on all fours and positioned the dildo at her entrance, recreating the poses from your magazine. Each time she moved to a different position, I was desperate for her to put it in, but I knew she wanted to tease me until I couldn't take any more. The instant she pushed the rubbery head barely a centimetre

she had turned me on, drenching her tummy in seven or eight long spurts of jizz. Her ear-to-ear smile at how much I came forced a few final drips of spunk from my aching knob.

I really did feel like I had finally fucked one of the girls I've fantasised over since my teens and Alison said she couldn't wait to do it again – what a result!

BABE WATCH!

I'm sure your readers agree when I say there's nothing hornier than seeing women touch themselves. Even better when they bring themselves to orgasm right in front of you! My new girlfriend just loves masturbating for an audience, especially one as appreciative as me!

The second time we were in bed together, we were grinding our bodies together, my fingers inside her pussy and her hand gripping my dick. As she tossed me off with

“ I was so deep in her that I could feel my balls banging against her open bumhole ”

in between her lips, I dropped to my knees on the floor in front of her, grabbed the dildo myself and drove it into her. She took the shaft from me and with both her hands clasping it, lay on her back dipping it in and out of her cunt, while I freed my dick.

I knew I wasn't going to last long, so I lifted her legs up high and wide and poked my swollen end in between her folds. I left just the tip of my dick inside her, whilst she slowly undid the corset. The first thrust into her was like heaven, and I fell on top of her, allowing her to wrap her boots around my arse as I took a face full of tit.

I was so deep in her that I could feel my balls banging against her open bumhole, and the sensation was driving me wild. Her corset open, but still around her, she pushed it back together, showing me inches of cleavage and it instantly made me jizz. The first spurt filled her pussy, but I had to yank it out to show her how much

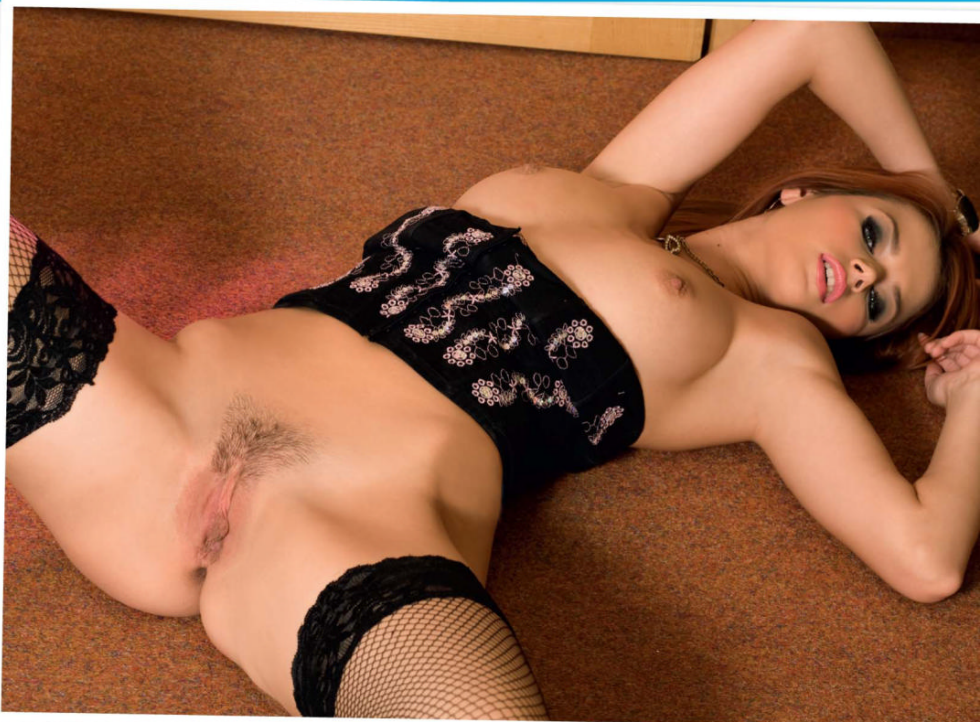

one hand, I suddenly felt the tips of her fingers moving against my palm as I moved my own fingers rhythmically in her cunt. Frigging her clit, she then took my hand from inside her and put it around my own shaft. Moving back so I could see, she lay on her back and spread her legs. She then ran both hands over her tits, across her flat stomach, before dipping them over her mound into her crotch. I needed no encouragement to grab my own cock and was wanking it slowly at what was unfolding in front of me.

Using two fingers, she parted her lips so I could see her pink, and sucked the index finger on her other hand. Keeping her flaps apart, she ran her moist finger over her protruding clit and began to rub it slowly at first, speeding up steadily. Her pussy was still exposed and my prick was already aching with the thought of going up in there. However, I knew she wanted me to watch, so I gripped my dick tightly to stop myself from spurting too soon.

She was now running her finger down over her clit, and into her hole, pulling it back out and repeating the movement again. Her nipples were erect and I stared at them, imagining sucking them hard whilst I fucked her. Between her legs, her finger was searching past her slit and around to her bum. Rocking back and pulling her knees towards her chest she stroked her puckered little hole and teased me by putting her little finger in slightly. As her sphincter loosened, she was soon knuckle-deep into her arse and her cunt at the same time. Watching her poke her fingers in and out of her holes was incredible and I knew I was going to shoot my wad very soon.

What pushed me over the edge, however, was when she rolled over onto her front and began to frig herself whilst burying her face in the pillow and bouncing against the bed, as if she was fucking her hand. Then, to my disbelief, she raised her bum up in the air and on all fours started to spank her own backside whilst she grunted, "I'm cumming, I'm cumming."

My eyes fixed on her climaxing heavily and biting down into the pillow, made my spunk race through my shaft, before I could prepare myself. I emptied half my load over her hips and arse, and she turned around in time to catch the final few spurts in her mouth. She took the remainder of my load down her throat, before wiping her mouth with the back of her hand like a total slut and then flashing me a filthy look. "I love to be watched," she said, "you don't mind, do you?" Now that

“ Her pussy was still exposed and my prick was aching with the thought of going in there”

really was a stupid question.

RED OR HEAD!

My earliest memory of being sexually attracted to redheads is from my last year at secondary school, shortly after my 18th birthday. We had an auburn-haired science teacher with legs that went on for miles and a huge soft pair of tits that would give any red-blooded youth the world's biggest hard-on. I always made sure to get to her science classes early, so I could get a seat up front for the best view in the house. She wore short skirts and mini-dresses and was in the habit of putting her legs up on the desk, sometimes kicking her shoes off and wriggling her toes. In retrospect, I think she must have known how exquisitely she was torturing us – and was enjoying every minute of it.

To this very day I am crazy for redheads. The very sight of one in the street kicks my imagination into overdrive. Even so, I never had much success with the genuine articles... until this past spring when I was on holiday in the Algarve. On the afternoon of the day I arrived, I walked from the apartment complex to the nearby port to get some air. I was looking at the boats moored in the marina when my attention was grabbed by a dazzling red-haired woman who was boarding a white Sunseeker sports boat.

Once on board she looked around her as

though to see if anyone was watching her. Then, to my delight, her hands moved to her jacket buttons and she undressed slowly, seeming to revel in the feel of the warm sea air on her skin. As her clothes gradually accumulated around her feet, she was left in just bra and panties. Standing with her face towards the evening sun and with the soft breeze ruffling her red mane, she reached back for the clasp of her bra, flicked it open and let it fall to the deck. I was transfixed – not to say gobsmacked, totally absorbed in her every tiny movement.

Smiling, or so I thought, she gently dug her thumbs into the waistband of her panties and began to inch them down over her buttocks, wriggling as the rucked-up gusset slipped out of the cleft of her beautiful arse. She eased them down her thighs, holding on to them all the way down so that she had to bend at the waist and as she bent over, her cheeks parted, brazenly flashing her puckered rosebud. To my disappointment, she donned a skimpy shiny blue bikini, covering up her snatch and breasts once again.

She stretched like a cat, then settled down on a bench and began to massage her body slowly with sun tan lotion, appearing to absolutely luxuriate in the exercise. She ran her hands up the insides of her thighs, working the lotion in; then, moving up towards her quim, she dipped her fingers into her bikini bottoms and began to massage her

pussy lips. I thought I was going to go insane, and just couldn't understand why she didn't see me, watching from behind the bow of an adjacent boat and gently stroking my cock through my trousers. Unless, of course, like my old science teacher, she knew full well that she had a very appreciative audience!

She cupped her breasts and pinched her nipples through the shiny fabric of her bikini bra. Without even a trace of self-consciousness, she wiggled out of her bikini briefs, allowing the light warm breeze to blow freely across her clean-shaven mound. She clenched her bottom, arched her back and spread her thighs, allowing me a full view of her milky rude bits. Moving her right hand down the soft plane of her tummy, she slipped an extended finger into the top of her slit. She was going to masturbate! As she rubbed her hot little clit button I could see her writhe and wriggle on the seat, working away furiously with her right hand, until – gasping so loudly I could hear her – she orgasmed.

The show over, she turned slowly in my direction, revealing all her charms, and as I watched, still transfixed, she strolled languidly across the deck and softly called out for me to show myself. I stepped into view, acutely aware of the enormous boner tentpoling my trousers, and lamely tried to justify lurking while she wanked herself silly.

She looked me over appraisingly, then, staring straight at my cock which was literally straining against the fabric of my trousers, asked me if I would like to join her for dinner. I had already eaten, but looking at her magnificent figure and red hair I kept my mouth zipped.

I stepped on board as she took a bottle of wine and some bread from the fridge, and came and sat beside me on the deck. Over supper I learned her name was Caroline, that she was on holiday with her father, a London stockbroker who had retired and was now living in Spain, and that the boat was his. She liked to borrow it when her boyfriend was with her, but they had recently broken up. I offered insincere words of sympathy, delighted at the opportunity to move in and hopefully get my leg over.

The sun was still warm and we lay together on a crescent-shaped seat on the deck. Her perfume smelled exotic and I soon became aroused again. As if sensing my need, she suggested we get comfortable and, pushing me back into a lying position, she climbed onto the seat and knelt over me, her legs on either side of my face. My hands reached up to grab her well-rounded bum cheeks, and

she lowered her heavenly pale quim onto my face, supporting her body with her forearms, crouching over me in the classic 69 position. My head spun with bliss as I drank in the heady perfume from between her thighs.

Becoming almost insane with arousal, I pulled her pelvis down onto my mouth and began to eat her out voraciously. Soon her pussy was sticky with saliva and quim juice, and I ate her so thoroughly that the syrupy wetness soon covered all of my face and her thighs. My tongue slid along the fleshy folds of her sopping labia before dipping into the sticky aperture of her hot, willing cunt. I repeated this manoeuvre time and again as she writhed and bucked on my face, stimulating her honeypot and flicking her clit with my tongue until she was continuously dripping pussy nectar. I then began to suck her, my mouth covering her slippery pussy

lips and nibbling on her clit. Caroline positively writhed in excitement and I could feel her shudder with pleasure as she pushed harder onto my face and came.

To my delight, instead of resting, she immediately began fondling my dick, kneading it between her fingers until I could feel the blood pulsing through the shaft. She then started to lick and suck my ball sac gently and teasingly with her tongue. Her pink lips ringed my swelling shaft insistently, gobbling it until I was as stiff as a poker. Then she sank down even deeper onto me until the bell-end of my cock was nudging the back of her throat. I moaned involuntarily as she licked and pulled with her soft wet lips until my throbbing organ was not simply fully erect but upright and quivering, so swollen with my need that it was almost painful.

Watching her auburn locks bobbing up and

“The insides of her thighs lubricated with her own cream as she slid up and down my prick”

down as she worked on my shaft inflamed me so much that I became desperate for relief. I longed to plunge my pork sword inside her gash to the very hilt, to be ball-deep in this young slut. “Let me fuck you,” I said, and like the good sport she was, she immediately altered her position, sitting astride me – her cunt hovering over my upstanding penis. She positioned herself for entry and, with a groan of excitement, impaled herself squarely on my thick rod.

She rode me vigorously, encouraging my engorged shaft to go in and out of her like a great flesh piston. I could feel her vaginal muscles tightly gripping my cock as spasms juddered through the warm velvet glove of her vagina. She stifled a scream as she climaxed, quietly moaning in its aftermath as wave after wave of pleasure engulfed her. I was close to ejaculation but tried desperately to hold off as I was having the fuck of my life and didn't want it to end too soon!

My hands reached up for her swinging tits – they were milky white, so pale you could just about see the blue veins underneath – and at my touch her nipples hardened visibly. She began to work herself towards a second orgasm, the insides of her thighs lubricated with her own cream as she slid up and down my prick. I felt her pleasure stir and build within her again as she rose above me to ride my hot cock like a jockey.

She moved her head from side to side, moaning quietly and, as she did so, her red hair lashed me in the face, stimulating me to greater thrusting efforts. Consumed with lust, my boner jabbed her with its full length as she used me like a human dildo and spasmed with sudden convulsive jerks to a second orgasm. I followed suit, splashing my load deep inside her. It was the fuck of a lifetime, and there and then I promised myself that I would woo this woman and marry her.

We get hitched next spring, and she's still as horny now as she was on our first encounter in Spain. The vision of her red hair fanned out against the white deck is my fondest memory of our first meeting, and I plan to take her there every year for a repeat performance! *Larry, Newcastle ♣*

Reigning true we have the Queen of Chaos with us this month, as Harmony creates anything but. Arriving at the studio she has us in stitches within minutes, and when it's our turn to eventually make her laugh, a great warm chuckle erupts and fills the room, which in turn has the effect of making you feel rather chuffed with yourself. Harmony in a few words is fun, daring, exciting and incredibly sexy. I mean just take a look at that rack, and I dare you to attempt to tear your eyes away! It's quite difficult, isn't it?

Once you pop with Harmony, you won't be able to stop!

ROXY!

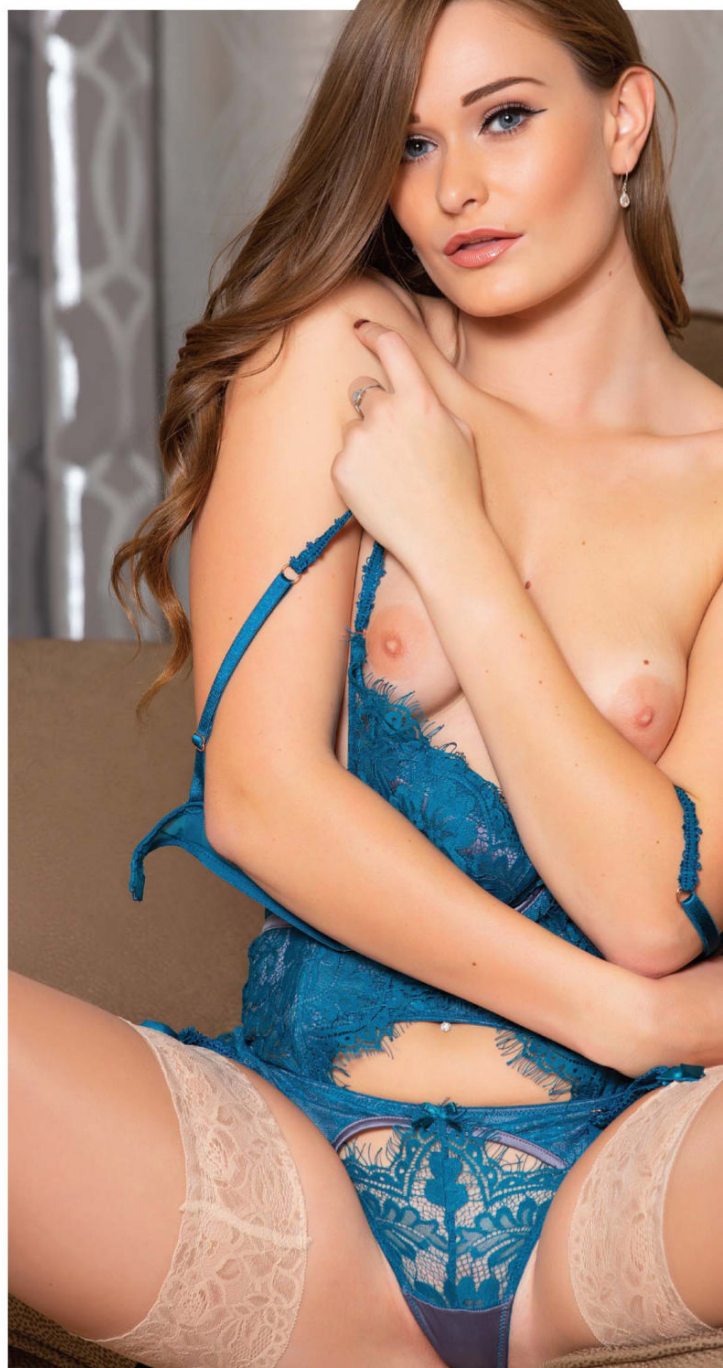

Well, look who we finally managed to get hold of ...

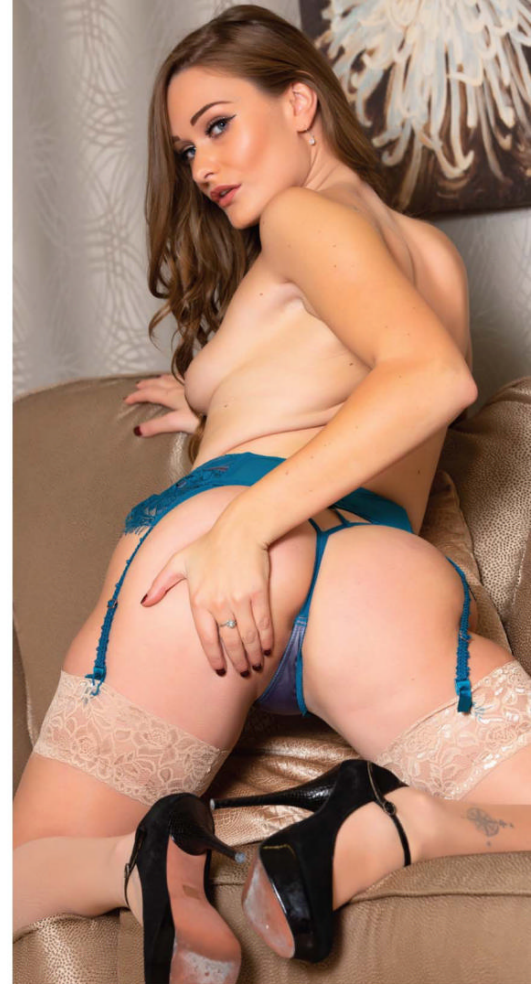

"Come on, it wasn't that bad, though I am a busy girl these."

I'm pretty sure we've been trying to collar you since before Christmas, which was month's ago.

"Oh I hadn't even realised; doesn't time fly when you're having fun."

Doesn't it just, before we know it our day with Honour May is over, hopefully, it won't be quite so long next time.
